1.1 Proposed Amendments / Material Alterations to the <i>Record of Protected Structures</i> of the <i>Draft Roscommon Development Plan 2021-2027</i>	2
1.2 Document Format	2
2. Proposed Amendments	3
3. Appendix 1	4

1. Introduction

1.1 Proposed Amendments / Material Alterations to the *Record of Protected Structures* of the *Draft Roscommon Development Plan 2021-2027*

The proposed amendments / material alterations detailed in this document pertain only to the *Record of Protected Structures* of the *Draft Roscommon County Development Plan 2021- 2027*. Please refer to the accompanying *Introduction* document for details of this stage of the plan preparation process and information on how and when to make submissions / observations on the proposed amendments / material alterations.

The proposed amendments / material alterations to *Record of Protected Structures* should be read in conjunction with the proposed changes set out in Volume I and Volume II and the *Renewable Energy Strategy*.

1.2 Document Format

All proposed amendments / material alterations have been assigned a unique reference number. The original location in the *Draft Roscommon County Development Plan 2021-2027* is referenced where applicable (references to page numbers are to the *Record of Protected Structures* in the Draft Plan page number).

Proposed changes to the *Record of Protected Structures* are displayed in the following format:

- Proposed additions are identified in green.
- Proposed deletions are identified by a single red line ~~strikethrough~~.
