

Roscommon County Development Plan 2021-2027

Submission on the Draft Roscommon County Development Plan 2021-2027

Submission Date: July 1, 2021 12:44 PM

Name

Raymond Egan

What is the topic of the submission?

Towns and Villages (including zoning)

Submission

I would like to submit our land at Rampark Castlerea in the rezoning plans for Castlerea town, we had planning permission granted for 67 houses on this land before the crash of 2008, we have all services on the land the sewage pumping station is on a corner of the site and we have the river at the rear for surface water drainage, the footpaths and street lights are out as far as the land, we went to a lot of time and expense to get our planning permission on this site pre crash and in the event of the land not being zoned for housing we would have to take measures to recoup monies already spent from Roscommon County Council.
