

# Roscommon County Development Plan 2021-2027

## Submission on the Draft Roscommon County Development Plan 2021-2027

Submission Date: July 1, 2021 11:45 PM

### Name

Michael Hyland

### What is the topic of the submission?

People, Places and Housing, Towns and Villages (including zoning), Rural Development and Natural Resources, Infrastructure, Transport and Communications

### Submission

I would like to see areas in villages opened up for recreational activities. There should be an open area or park in every village. I welcome the support for villages especially in the north of the county and applaud the council for this but I do think that there is further potential to be harnessed in these places. For example ballyfarnon and knockvicor, there are ideal locations for Riverside walks. Please take these ramblings into consideration and I hope that your vision is successful for our county.
