

Submission from Cllr. Marty McDermott

The lands in Lisnamult shown in the Roscommon Town Draft LAP 2024 – 2030 as un-zoned (highlighted in green on the map below) should be zoned Community Infrastructure to illustrate that they are being used by the community (part of Roscommon Community Sports Park). A 25-year lease was agreed last year between the Council and the Community group in Lisnamult for these additional grounds for community sports use.

Cllr. Marty McDermott
