Re- Submission on Draft Roscommon Town Local Area Plan 2024-2030.

Dear Sirs,

We are writing on behalf of property owners and residents of Church Street in Roscommon Town. We feel that an opportunity has been lost by not exploring the opening up of lane ways at the back of Church Street and Main Street to open up these closed spaces for future development use. We are available to meet with the Town Planners to explore these areas.

This has worked very well in other towns.

Yours Sincerely
